### Membership

Since 1942, Auxiliary volunteers have *made a difference* by doing their part to help ensure the best possible health care for our entire community.

We welcome the opportunity to discuss how you can become a member of the Cape Cod Hospital Auxiliary.

For more information, please call 508-862-5088 or visit a branch near you!

Chatham/Harwich: 508-432-6810

Orleans: 508-255-8081

Member Cape Cod Healthcare

## The Cape Cod Hospital Auxiliary

Our not-for-profit volunteer organization is dedicated to supporting Cape Cod Hospital by raising funds to fulfill specific pledges that help fund new or improved facilities or programs at Cape Cod Hospital.

The Auxiliary is governed by a Board of Directors made up of the chairs of our Thrift Shop and two branches: Chatham/Harwich and Orleans.

## Auxiliary Pledges

Pledges are undertaken based on specific needs identified by hospital management which help offset the continually increasing expense of providing high-quality medical care to our community.

## A History of Successful Fundraising

Since 1942, Auxilians have raised more than **\$8.6 million dollars** for Cape Cod Hospital. We are working toward our current pledge of \$1 million to support Cancer Services in the new Patient Tower.

A sampling of fulfilled pledges:

- \$500,000 for Behavioral Health Expansion
- \$650,000 naming the Diagnostic Suite at the newly expanded and renovated Cape Cod Hospital Emergency Center
- \$500,000 to the Cuda Women's Health Center
- \$1,500,000 to the Cardiac Care Center
- \$1,000,000 to the Breast Care Center

## Our Branches

Individuals who like working with others on fundraising activities and events may join one of our two branches, Chatham-Harwich or Orleans. Branch meetings include featured speakers on local topics of interest, planning or working on fundraising projects and social lunches.

Examples of past fundraisers: auctions, raffles, golf tournaments, card parties and holiday sales. Participation is encouraged, but the time each volunteer contributes is always a personal decision.

Some members also enjoy working together to make hand-crafted items to comfort patients at Cape Cod Hospital.

## Our Thrift Shop

A constant, visible presence in our community, the Cape Cod Hospital Auxiliary Thrift Shop is located at 690 Main Street, Hyannis, MA (the corner of Stevens and Main Streets).

You'll find everything from men's and women's clothing to jewelry, shoes, pocketbooks, household items, sporting goods and more. It is open Tuesday - Saturday from 10:00 AM - 3:00 PM.

*When volunteers use their natural talents and act on their own creative ideas for fundraising activities and events, amazing goals can be achieved.*

**Cape Cod Hospital, named one of America's 100 Great Community Hospitals!**

*Auxilians demonstrate their passion for contributing to our community primarily by raising funds to fulfill specific pledges for Cape Cod Hospital.*
